## A POWERFUL LOT OF PROFIT POTENTIAL

In The H. H. Humphrey Herd Reduction Sale  
Thursday, October 4, 1962 - - Larkenburg, Kansas

Sale will be held at the Humphrey Farm on the north edge of Larkenburg 12:30 p.m. Larkenburg is located 9 miles east of Holton, Kansas, just 40 miles north of Topeka and 50 miles northwest of St. Joe, Missouri.

### -- SELLING 84 HEAD --

8 Bulls	28 Bred cows and heifers
15 Cows with calves at foot and rebred	18 Open heifers

H. H. HUMPHREY, Larkenburg, Kansas has least most of his farm land and therefore must sell the biggest portion of his well-bred Shorthorn herd in this sale. He is retaining only 10 females, everything else in the entire herd that has generally been recognized as one of the top herds in Kansas sells to the highest bidder on October 4. Earlier this year, Mr. Humphrey bought the entire Robert Blake herd in Wisconsin, a great group of well-bred cattle. This past summer because Russell Holz was completely droughed out at Columbia, Missouri, Mr. Humphrey bought his entire herd of 44 head of cattle of extremely high quality and pedigrees and breeding that is known every place.

Guest consignor, W.L. MCILROY, of Louisiana, Missouri, sells two outstanding sons of MORPHIE PAYMASTER. These are half-brothers to six calves that sold in the Mathers Sale for over \$1600 average with a top on one heifer of \$3200. Morphie Paymaster was the 1958 reserve senior champion at Perth. Mr. McIlroy also sells one July yearling son of Leveldale Regalia and his bull has just come off a rate of gain test for 5 months at the Missouri State University where his average daily gain was 2.87 pounds per day.

# THURSDAY, OCTOBER 4, 1962

I have been personally acquainted with Homer Humphrey for the past 20 years and like his father before him, he has always been a great breed booster. He has always been a strong supporter of state and district and national sales and shows within several hundred miles of home and because of this many people have used Humphrey Shorthorns over a wide area with success.

I would like to call attention to prospective buyers to just a few of the real attractions that you will find in this sale. For instance there is lot 12, Golden Rule Annabella, out of the same dam as the noted Double Goldfinder; lot 32, Golden Rule Marigold 10th, out of Marigold 23rd by the \$18,000 Gold Accent. This is the same cow that produced all of the Marigold show cattle for Holz Brothers when they were winning all over America. Lot 51 heifer, four-year-old double bred daughter of Ballathie Heir with a top heifer calf at foot by Leveldale Northern Light and Lot 63, an attractive open heifer by Fontana Charm out of a daughter of Bapton Craftsman. There is much about this entire offering that should attract good cowmen everywhere. A great many of the females were bred by Russell Holz, and it is the same blood and breeding that predominated the top winnings at the major shows for nearly a score of years when Holz Brothers were operating so successfully at Grand Junction, Iowa.

These are working cattle and they sell in breeding flesh, you would be able to do a great job of buying.

MACBETH PAYMASTER 17th -- Is one of the best Paymaster calves we have offered. He is a deep, thick calf, good head, lots of bone and will be a big bull. The two Paymasters we are offering are half-brothers to six calves sold in Mathers Brothers Sale in 1960 for over \$1600 average with a top on a heifer of \$3200. Lots of power in these pedigrees.

MACBETH PAYMASTER 18th -- A good-headed, thick, heavy-boned young bull that will have plenty of ruggedness and size. Just in good strong breeding condition and sired by the 1958 reserve junior champion at Perth, Morphie Paymaster. His dam is by the great, Cruggleton Johnston, that sired as great a set of females for Kickapoo Farms as most any bull we know of. The grand-dam of this bull, K Charity Broadhooks, is the mother of our white junior bull calf that has been undefeated so far this year.

MACBETH ARISTOCRAT -- This is an excellent dark red in fine condition but not loaded. He has just come home from a 5 month test at Missouri University. At the moment I don't have final figures, the last report I saw showed a daily gain of 2.87. He is sired by our sire of champions, Leveldale Regalia, who sired a champion each year for the past number of years in our Pike County Annual Sale. Aristocrat is a half-brother to the bull that was champion last year, selling cheap at \$800. He has a great pedigree and has a four-year-old half-brother at Fredonia, Kansas that weighs 1980 in everyday working order. If you want bigger calves, you can get them here.
